

KLUSDESIGN WEBSITE PRIVACY POLICY

1. GENERAL INFORMATION

The owner of the website www.klusdesign.pl, www.klusdesign.eu, www.klusdesign.de is: KLUŚ Sp. z o.o., ul. Słoneczna 126, 05-506 Kolonia Lesznowola, NIP: PL 123-147-44-54.

This Website performs the function of obtaining information about users and their behaviour in the following way:

Through information which has been entered voluntarily.

By recording of cookies in end devices.

By collecting www server logs via hosting operator home.pl S.A., functioning on the website www.home.pl

2. INFORMATION IN FORMS

The Website collects information voluntarily given by the User. The Website may also save information about connection parameters (time stamp, IP address). Data in form are not disclosed to third parties without the consent of the User. Data in form are processed in order to maintain commercial contact.

3. INFORMATION ABOUT COOKIES

This website uses cookies. Cookies contain computer data, especially text files that are stored in the user's final device. They are designed for use in websites. Cookies usually contain the name of the website from which they originate, their storage time on the end user device, as well as a unique number. The identifier is then sent back to the server each time the browser requests a page from the server.

Cookies are used for the following purposes:

create statistics which help understand how the Website Users benefit from pages which allows for the improvement of their structure and content;

maintenance of the Website User session (after logging in) to allow the User to use the Website without re-typing his/her login and password;

determining user profile in order to display matched materials in ad networks, in particular Google networks.

Mainly two types of cookies are used as part of the Website: session cookies and persistent cookies. Session cookies are temporary files that are stored on the User's end device till log out time, leaving the website or disabling the software (web browser).

Persistent cookies are stored on the User's device for a time period specified in the parameters of the cookies or until they are deleted by the User.

In many cases, the software used to browse websites (a web browser) allows the default storing of cookies on the User's device. Website Users can change these settings.

Any web browser allows for the removal of cookies. It is also possible to automatically block cookies. Detailed information on this topic can be found in Help section or in the documentation of your browser.

Please be advised that any restrictions in the use of cookies may affect some of the functionalities available on the pages of the Website.

Cookies placed on the terminal equipment of the Website User can also come and be used by partners co-operating with the Website owner.

We recommend that you read the privacy policy of those companies to learn about the rules for the use of the cookies used in statistics: Google Analytics Privacy Policy

Cookies can be used by advertising networks, in particular, the Google network, to display ads adjusted to the manner in which the User uses the Website. For this purpose, they may retain information about the navigation path of the User or the time spent on a particular page.

As part of information about user preferences collected by the Google advertising network, the User can view and edit information resulting from cookies with the help of the following tool: <https://www.google.com/ads/preferences/>.

4. SERVER LOGS

Information about some of the behaviours of users are subject to logging in to the server layer. These data are used only to administer the Website and to ensure the most efficient hosting services.

Browsed resources are identified by URL addresses. In addition, the following may be recorded:
time of query arrival, time of sending the response,
name of the client station – identification carried out by the HTTP protocol, information about errors that have occurred during the implementation of the HTTP transaction,
URL address of the page previously visited by the User (referrer link) – when the transition to the Website was done through the link, information about the User's browser,
Information about IP address.

The above data are not associated with specific persons browsing pages.

The above data are used for server administration purposes only.

5. DATA SHARING

The data can be made available to third parties solely within the limits of law.

The data enabling identification of a natural person shall be rendered accessible only upon that person's consent. The Operator may be obliged to disclosed information collected by the Website to authorized bodies based on requirements under the law.

6. COOKIES MANAGEMENT HOW TO GRANT AND WITHDRAW CONSENT?

If the User does not want to receive cookies, he/she may change its browser settings. Disabling cookies necessary for authentication, security, maintenance of user preferences can make it difficult, and in some cases, may prevent the use of websites.
